HORRIBLE CALAMITY.

RAILROAD TRAIN WRECKED IN IOWA.

Eighteen Persons Killed and many more Wounded—List of the Killed and Injured and Cause of Accident.

CHICAGO, Aug. 29.

A terrible accident on the Cincinnati, Rock Island and Peoria railroad occurred this afternoon, seven miles from Des Moines. From 10 to 50 killed; no particulars.

All the train but the sleeping car went down into the stream, the engine out of sight, Barnum's show car among the rest and it is said 10 or 11 occupants were killed. The accident occurred several miles from a telegraph office. The following is a partial list of those unhurt and slightly injured.

Mrs. Law Hersberg and four children, safe; H. H. Jones, Keithsburg, Ill.; J. L. Jones, Whiteside county, Ill.; A. L. L. Jones, New York; Dr. J. F. Frankfield, Philadelphia; A. C. Colvin, Clyde, N. Y.; Judge Dillon and daughter, Iowa; Herbert B. Turner, New York; H. Hazleman, Milwaukee; Mrs. A. P. Williams and son, Laramie, Wyo.; Mrs. Ellen and five children, Mrs. Dr. R. M. Stone and child, Des Moines; J. H. Craiger and wife, Brooklyn, Iowa; L. Perkins, Minnesota; Carrie and Bell Adolph, Philadelphia; Mrs. A. D. Osborn, Avoca, Iowa; Eva E. Adams, R. M. Cheyenne, Chicago; Annie A. Frost, Council Bluffs; Mrs. J. S. Graham, Des Moines; J. Madsley Davenport; Mrs. E. W. Coon, Woodland, Cal.; David Morgan, New Sharon, Iowa; slightly hurt, C. C. Gilman, El Dorado, had two ribs broken, otherwise slightly bruised.

A special train 16 were killed and as far as known 12 bodies have been taken out on the banks as follows: Billy Bakstrom, engineer, J. K. Bolt and daughter, Boone, Iowa; Wm. Cummings, news boy; Mrs. Emma Babcock, school teacher, Rock Island; seven of Barnum's men men as follows: F. B. Baker, J. H. Proce, A. Mack, G. Rockwell, C. Thompson, J. Parcell. Four dead bodies are still seen in the wreck but cannot be got out at present.

Mrs. J. K. Bolt, whose husband and daughter were killed, is badly injured. Mr. Bolt was a prominent citizen and druggist at Boone, Iowa.

The accident was occasioned by the washing out of a bridge, and occurred at four o'clock this morning. The following are the additional particulars: Wounded, W. Y. Humes, Des Moines, slightly in the head; A. J. Patrick, conductor, dangerously; Mrs. A. A. Stebbins, Panther Creek, bruised considerably; S. S. Ferguson, Audubon, Ill., slightly; J. L. Graham and wife, both slightly; L. S. Spencer, La-horra, Iowa, injured across the breast and both legs; J. Charles Browning, St. Louis, severely bruised, burned, and knee cut; Dr. Campbell, wife and daughter, Fiskville county, Ill., slightly bruised; M. Harrington Washington, Iowa city, legs and breast severely injured; Mrs. Mary H. H. Norwalk, Iowa, in the back and head; Mrs. C. Fullett, Moline, Ill., severely; Ben Truck, fireman, made a miraculous escape.

1 55 p. m.—One more body has been recovered, an old man with the name J. S. Ferguson in his hat. In a car not yet uncovered several bodies are seen. The car top of this is now being lifted off. The bodies recovered are being loaded on cars for Des Moines. It is thought several floated down stream. The water is over 20 feet deep. The wounded survivors are at Altoona. No names can be had at the wreck.

Des Moines, Aug. 29.

The body of Mrs. Crow, East Des Moines, has been found, her head held between two cars. The top car has now been pulled off. Three more bodies have been taken out, men. One is supposed by papers found on him to be Cogen, a commercial traveler from Peoria, Ill. The other two bodies are not identified. The body of a lady is now tight in the wreck, making eighteen persons known to be killed. Three cars are so firmly telescoped together that it is impossible, so far, to pry them apart even with a block and tackle. The name of the last man taken out was Thomas Danaway, of East Des Moines, who recently ran away from an insane asylum.

A Savings Bank Panic.

CHICAGO, Aug. 29.

It is feared the failure of the state savings bank will cause a general run in savings banks, and that fully six more suspensions will occur this week. An Elkhorn, Wis., dispatch charges that President Spencer of the state savings institution was cashier of the Elkhorn bank when it failed, and embroiled its funds, and was subsequently killed with the Cook county national bank of Chicago, which failed disastrously a few years ago.

The assets of the state savings institution are now placed at \$3,000,000.

Brigham Young Dead.

SALT LAKE, Aug. 29.

Brigham Young died at four p. m. today.

Appointed.

RICHMOND, Va., Aug. 29.

The conservative state committee selected Gen. Jas. G. Field for attorney generalship, vice Daniel deceased, and Governor Kemper has appointed Field for the unexpired term.

Davenport Dying.

NEW YORK, Aug. 29.

A dispatch from Canton, Pa., announces that B. L. Davenport, the actor, is dying.

The Indian Campaign—More Murders

WASHINGTON, Aug. 29.

General Sherman telegraphs from Helena, Montana: Just back from forts Benton and Shaw; all well. The Indians have got across the Yellowstone below the lake and above the falls, killing two parties of visitors to the geysers, sparing the ladies. Gen. Howard has replenished his stores and is in pursuit. Other parties watch their issues east of the mountains. I will start west for Missoula Thursday, Thursday, and continue to Walla Walla. The garrisons here are so small that I have little escort. Gibbon should be reinforced, and the third infantry seems the most available. If Sheridan applies and the secretary approves, you may order it to Ogden, Utah, thence to march north to Montana. After this affair is over Howard will return to Oregon, leaving Gibbons here too weak. I see no signs of danger from the north, but it is apprehended here.

HOSTILE INDIANS COMING IN.

OMAHA, Aug. 29.

Gen. Bradley telegraphs from Camp Robinson: "I sent one company from Laramie and one from here to the Black Hills to-morrow, with 30 days' supplies. Fourteen men, five women and three children from Lame Deer's band came into Spotted Tail agency yesterday. Lame Deer's village of 54 lodges is at the mouth of the Little Powder. I shall send out another party to try and get them in. This is the same party of hostiles struck by Miles last spring, in which engagement Lame Deer and several others were killed. The band is a remnant of Sitting Bull's village not yet driven in by the department of Dakota, and their coming in and disarmament will render the Hills country safe, even at the northern extremity, which has been beyond the reach of troops."

The Chicago Bank Panic

CHICAGO, Aug. 29.

There is no demonstration at any of the banks this morning, beyond a somewhat larger proportion of depositors than usual, who are drawing out their accounts from the savings institution. There is a large crowd about the state bank, but the doors are closed and guarded by police. The total liabilities, according to the last official report, are \$4,415,327. During July and August the liabilities were reduced \$1,427,000, and resources \$1,690,000. It is alleged that since the July run began, about \$900,000 has been paid out, the available assets have been converted into cash, and for the past few weeks vigorous efforts have been making to raise enough here to tide over affairs. Saturday President Spencer left for New York for the alleged purpose of raising \$300,000. Nothing has been heard from him since. Just before going, previous to the close of business on Saturday, an assignment had been drawn up to be used in case nothing was heard from Spencer by 3 o'clock yesterday. Promptly at the hour the papers were turned over to Col. Abner Taylor, who is now in full possession. The bank has, under its more recent management, made some reckless investments and lost heavily, and also by decline in suburban real estate. It is estimated that depositors will realize about 33 per cent., but there is nothing definite.

Saratoga Races.

SARATOGA, Aug. 29.

The races were postponed until 3 o'clock. Weather unfavorable.

Kenner, Bonnie Wood, War Dance, Fly filly, Esquiver and Leisure filly. One mile and a quarter, for three year olds: Bradamante, Wash Booth, Bombadier, Major Barker and Lady Salvors. Hurdle race, Waller, Doubtful, Moonstone, Kelsie and Bombina.

Another Kind of Sitting Bull Commission Needed.

CHICAGO, Aug. 29.

Gen. Terry left for Washington yesterday. He has advice from Gen. Miles, August 19, stating that Sitting Bull with 1,300 warriors has been met south of the British line. It is understood that he left British territory because of difficulty with the authorities. If Sitting Bull is found on this side of the line, he will be reluctantly pursued. Terry thinks his commission requires a larger escort for its safety than can be provided.

Gen. Forrest Ill.

BAILEY SPRING, Ala., Aug. 29.

Gen. Bedford Forrest, the famous Confederate cavalry officer, is dangerously ill; little hopes of his recovery.

Davenport Dying.

NEW YORK, Aug. 29.

A dispatch from Canton, Pa., announces that B. L. Davenport, the actor, is dying.

GOLDEN SMITH MAID.

LOUISVILLE, Aug. 29.

Goldsmith Maid trotted today in 2:31, 2:16 and 2:17. She was not pushed particularly. The track was in fine condition.

From Washington.

WASHINGTON, Aug. 29.

NOT AT ALL LIKELY.

The Express's Washington special says a serious question relative to the local government is being developed by the political arrests in South Carolina. It is possible the administration may recognize Chamberlain's claims to the governorship any day. The president is indignant at Hampton's alleged endeavor to drive all prominent republicans from the state.

CORRELL'S TWO PLACES.

The Post's Washington special says a member of the cabinet intimates that the president and Naval Officer Cornell have an understanding as to when the latter shall retire from the national republican committee. Some members of the cabinet urge the president to suspend Cornell if he does not resign his position. It is asserted that Cornell is opposed to Cornell's resigning from the committee, and is interesting himself to have Cornell also retain his federal office.

SITTING BULL AT HOME.

Gen. Terry having brought information that Sitting Bull with 1,300 warriors is on this side of the British border, proceedings in reference to the commission are suspended.

The Eastern War.

DID NOT RENEW THE ATTACK.

LONDON, Aug. 29.

A Gorny-Stevens dispatch yesterday says that after severe fighting on Sunday the Turks refrained from renewing the attack on Shikpa pass. Up to this morning the Turkish advanced batteries somewhat menaced the Russian flanks. The Turks are constructing fresh batteries in Tunya valley. The Russians have been adequately reinforced. Gen. Rodetky holds his position safe.

TURKISH OFFICIAL CHANGES.

CONSTANTINOPLE, Aug. 29.

Safvet Pasha has been appointed minister of justice, succeeding Asyem Pasha who is nominated president of the senate.

THE RUSSIAN HOLD THE PASS.

GOMNY-STEVENS, Aug. 29.

All quiet. The Russian troops maintain their positions. The Turks are under cover behind the neighboring heights out of the range of the Russian batteries. The total Russian wounded from August 21st to the 27th is 3,480, including 95 officers; killed unknown.

The Barber Murderer Arrested.

WATERTOWN, Aug. 29.

The murder of Stephen Barber in Belmont was arrested last evening on the stage between Danvers and Plattsburgh, and taken to Malone. He has been recognized as a tramp who was in the neighborhood on the day of the murder. He had \$22, a revolver, a lot of silver spoons, goblets, and other silver hammered together. His shoes fit the blood marks outside of Barber's house. He declines to give any account of himself, and evidently feared he would be lynched last night, and manifested a feeling of relief when inside the jail. He will be taken before Mr. Barber today for identification. Strong hopes are entertained of his recovery.

Smash-up on the Hudson River Railroad.

HUDSON, Aug. 29.

A passenger train from the north, due at 11:22 o'clock last night, arrived late, and while taking water was run into by a freight train telescoping the sleeping car, which was directly under the Ferry street
